

SGEU Health Providers COVID-19 Pandemic Update

June 15, 2020

SGEU Health Provider Members:

Re: Application for Relief Work Changes

Has cohorting limited your access to relief work in other areas?

Is your current Application for Relief Work (AFRW) reflective of what you are now available to work?

We recognize that when the current AFRW was completed, we were not in a pandemic. The Saskatchewan Health Authority (SHA) has agreed that amended AFRWs may be submitted and will be considered.

We encourage members whose work situation has been affected by COVID-19 to submit an amended AFRW reflecting current availability and desired classifications as per Article 11.18 of the Collective Bargaining Agreement.

If you have any questions or concerns, or if your AFRW has been denied and you require assistance, please contact:
